# Fruit and vegetable preservation Training to rural women

**RAJNI SAINI**  
**YAMUNANAGAR, OCTOBER20**

A three days training cum workshop was conducted by Home Science Department of Guru Nanak Girls College, Yamunanagar in collaboration with Krishi Vigyan Kendra Damla from 18th to 20th October. The training was organised by guidance of College Director Dr. Varinder Gandhi and Principal Dr. Anu Atreja. They shared that this training cum workshop has imparted various skills of fruit and vegetable preservation to the participants. Dr. Aradhna Bali was the coordinator of this programme from Krishi Vigyaan Kendra Damla.

Dr. Prabhjot Kaur, convenor of the training shared that the entire programme was meticulously planned so that the beneficiaries get acquainted with theoretical as well as practical modules on various aspects of fruit and vegetable preservation. The faculty members Geeta, Varsha, Aanchal, Daljinder and Shivani gave live demon-

strations on vegetable and fruit cakes baking, nutritious pickling, healthy jams, delicious candy making and squash making to the participants. Preservation principles, techniques, challenges for startups, certification and entrepreneurial opportunities were delivered by Dr. Prabhjot Kaur.

The rural women were imparted knowledge as well as skills for initiating fruit and preservation start ups. The stu-

dents of PG Foods and Nutrition and UG Home Science acted as volunteers for smooth functioning of this endeavour. The participants learnt various techniques very enthusiastically and presented their learning on the valedictory day. All the rural ladies expressed good response for the infrastructural facilities of GNG College. They were presented with a token of love by the college authorities.
