COMBINATION RESUME

Advantages :

- If you have a **strong career progression with achievements.**
- If you want to showcase your strengths and your experience.
- If you are a **senior level applicant** and have a lot of working experience and achievements to demonstrate

Disadvantages

- **Lengthier** than a functional or chronological CV so may put off some employers.
- Not suitable for those with little experience or achievements.
- Not suitable for those with **employment gaps.**
