Director's Desk

"There is no tool for development more effective than the empowerment of women." – Kofi Annan

At Guru Nanak Girls College, we firmly believe that education is the most powerful means of empowering women and shaping a progressive society. When women are educated, they become catalysts for change- driving social, economic and cultural transformation. Thus, our institution is dedicated to nurturing young minds, instilling confidence and fostering intellectual and personal growth. We ensure that each of our students is equipped to face challenges with confidence and grace.

Our dedicated faculty, state-of-the-art infrastructure and well-equipped laboratories create the perfect setting for academic excellence. We offer a diverse range of undergraduate and postgraduate programs designed to meet the evolving demands of society and industry. Along with academic rigor, we emphasize co-curricular activities that nurture creativity, leadership and teamwork. Embracing this vision, we proudly launched our own digital radio channel, Sachiara, in January 2025, powered by KableOne. This pioneering platform provides our students with a creative space to express their voices, engage with a global audience and enhance their learning beyond the classroom.

As you embark on this exciting new chapter of your academic journey, we encourage you to do it with confidence. We eagerly anticipate your arrival and look forward to welcoming you into the GNG family.

Dr. (Mrs.) Varinder Gandhi

From the

Principal's Desk

It is my privilege to welcome you to Guru Nanak Girls College, an institution dedicated to academic excellence and the empowerment of young women. Founded in 1973 by the visionary Sant Pandit Nischal Singh Ji Maharaj, our college has been a guiding light in women's education, nurturing intellect, character and skill with a deep-rooted commitment to values and social responsibility.

The College has always kept pace with the evolving educational landscape, ensuring holistic development for its students. Embracing the National Education Policy (NEP) 2020, the college is committed to equipping young women with both academic excellence and practical skills. Under this policy, students will not only gain in-depth subject-specific knowledge but will also enhance their expertise through various internships and hands-on experiences. This initiative aims to empower them with industry-relevant skills, fostering self-reliance and career readiness. By integrating traditional learning with modern skill development, the college continues to uphold its legacy of academic excellence and empowerment of women.

I invite you to become a part of our dynamic community, where tradition and innovation merge to create a transformative educational experience.

From the

Ombudsperson's Desk

We are dedicated to create a fair, transparent and inclusive academic environment where every student feels valued, heard and empowered in our institution. As the Ombudsperson, my primary responsibility is to ensure that concerns and grievances are addressed with impartiality.

Whether it is academic matter, interpersonal conflicts or institutional policies, we strive to mediate and resolve issues amicably, creating a harmonious atmosphere in the campus.

Together, we can nurture a college community where fairness prevails, dignity is upheld and everyone has the opportunity to thrive. Your well-being is our priority and we are committed to working towards constructive and just solutions.
