From the

Director's Desk

Education has the power to transform societies and the true measure of progress lies in empowering women to lead with knowledge and confidence. At Guru Nanak Girls College, Yamunanagar, our vision is to create an institution that prepares young women not only for careers but for leadership in an ever evolving world.

Our commitment to quality education is reflected in the college being conferred NEP 2020 Implementation Excellence Award by Haryana State Higher Education Council for the effective implementation of the National Education Policy (NEP) 2020. By embracing academic flexibility, skill-based learning and holistic development, we ensure that our students remain future-ready and globally relevant.

Equally important is the encouragement of creativity and cultural expression. The achievement of the college of winning the Overall Trophy at the Zonal Youth Festival for the fourth consecutive time stands as a testimony to the talent, discipline and confidence of our students. Initiatives such as our digital radio channel Sachiara further strengthen student voice and engagement with society.

We welcome students to an institution that values excellence, innovation and purpose and we look forward to shaping empowered individuals who will contribute meaningfully to the nation and beyond.

Dr. (Mrs.) Varinder Gandhi

Director

From the

Principal's Desk

It gives me immense pleasure to welcome students and parents to Guru Nanak Girls College, Yamunanagar through the Prospectus 2026-2027. Our college proudly carries forward the vision of Pandit Sant Nischal Singh Ji Maharaj, who believed that education is the strongest tool for empowerment and self-reliance.

Inspired by the teachings of Guru Nanak Dev Ji, the college nurtures values of equality, sincerity and service. At GNG College, learning goes far beyond classrooms. Along with strong academic foundations, we offer a wide range of clubs and cells that allow students to explore their interests, build confidence and develop leadership and life skills.

We encourage our students to participate actively in academic, cultural, sports and social activities as these experiences play a vital role in shaping personality and character. The campus provides a safe, inclusive and supportive environment where every student is guided to discover her potential and grow holistically.

I look forward to welcoming our students into the GNG family and being a part of their journey. I wish them success, happiness and a fulfilling college life ahead.

Dr. Sukhwinder Kaur

Principal

From the

I am pleased to address students and parents through the Prospectus 2026-27 of Guru Nanak Girls College, Yamunanagar. As the Ombudsperson of the college, my role is to ensure that every student feels safe, heard and treated with fairness and respect.

College life is a time of learning, growth and new experiences. Along this journey, students may sometimes face academic, administrative or personal concerns. The office of the Ombudsperson exists to provide a neutral and supportive space where students can seek guidance or share their concerns without fear or hesitation.

A healthy academic environment is built on trust, transparency and mutual respect. I encourage students to communicate openly, follow institutional value and approach challenges with confidence and clarity. Most issues can be resolved through dialogue and understanding. For them support is always available when needed.

I extend my best wishes to all students beginning their journey at GNG College. May your time here be enriching, secure and empowering, and may you grow into confident individuals ready to face the world ahead.
