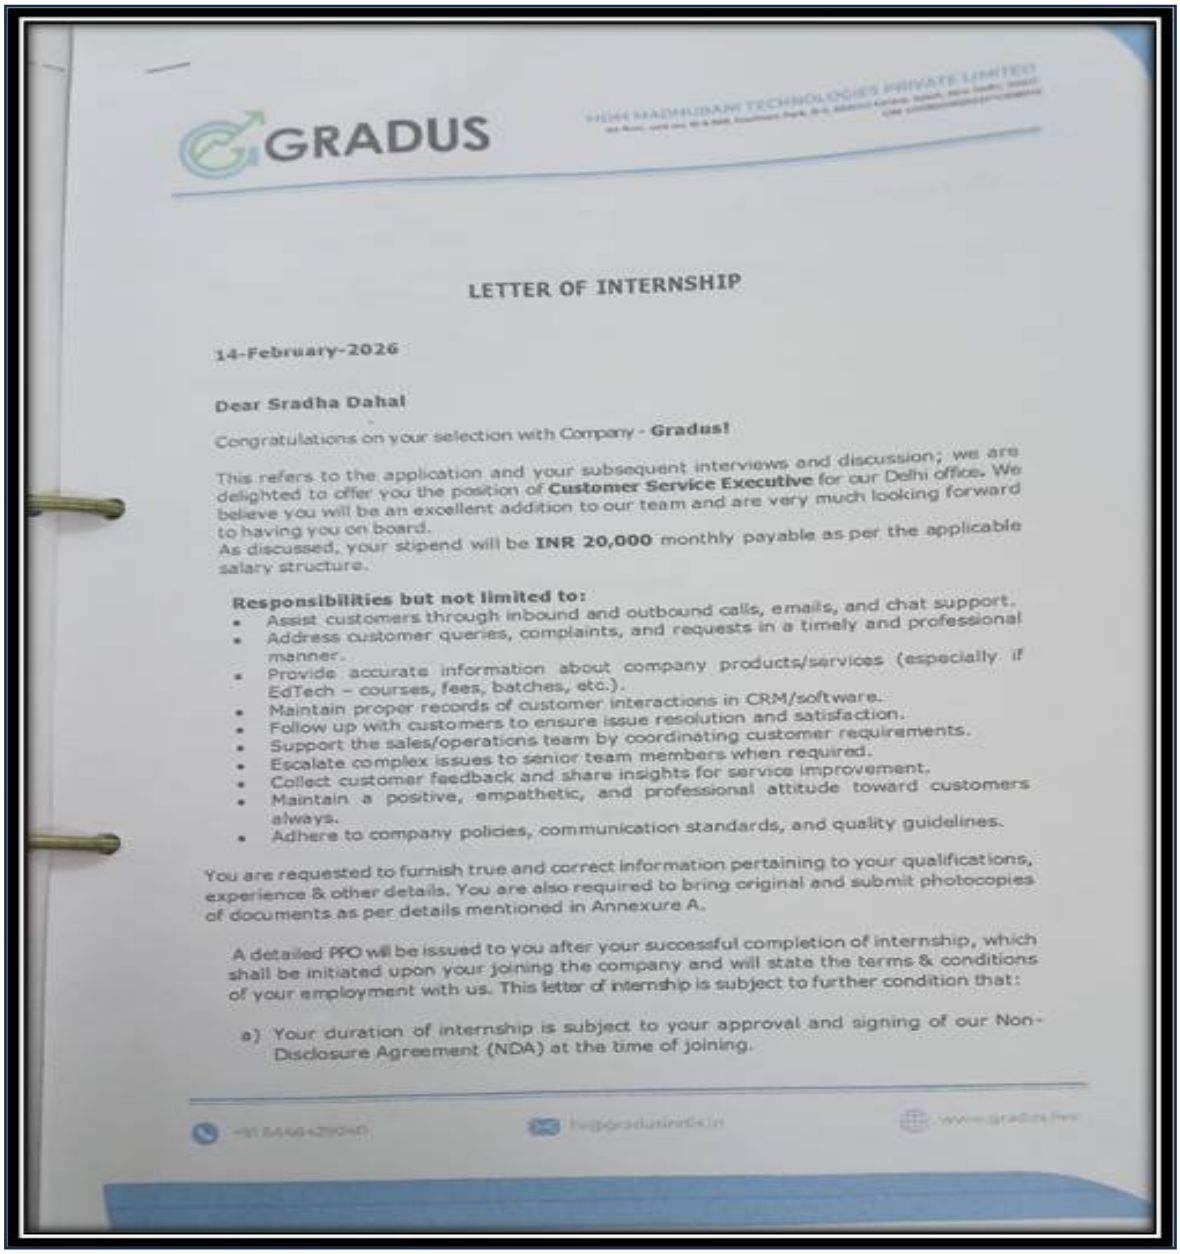
6. Placement Opportunity – Rising Arc Pvt. Ltd.

Rising Arc Pvt. Ltd. provided a placement opportunity for students through professional networking and student references. As part of continuous placement support and career guidance activities, assistance was extended to students even beyond regular campus drives to help them explore suitable employment opportunities according to their skills and interests.

With the support and reference of already working students, interested candidates were connected with the company for further recruitment interaction. Through this initiative, **01 student** was successfully selected for the role of **Program Advisor**. This placement reflects the continuous efforts made to support students whenever required and highlights the importance of professional networking, guidance, and career assistance in creating better employment opportunities for students.



GRADUS

HIGH MADHUBANI TECHNOLOGIES PRIVATE LIMITED

LETTER OF INTERNSHIP

14-February-2026

Dear Sradha Dahal

Congratulations on your selection with Company - **Gradus!**

This refers to the application and your subsequent interviews and discussion; we are delighted to offer you the position of **Customer Service Executive** for our Delhi office. We believe you will be an excellent addition to our team and are very much looking forward to having you on board.
As discussed, your stipend will be **INR 20,000** monthly payable as per the applicable salary structure.

Responsibilities but not limited to:

- Assist customers through inbound and outbound calls, emails, and chat support.
- Address customer queries, complaints, and requests in a timely and professional manner.
- Provide accurate information about company products/services (especially if EdTech – courses, fees, batches, etc.).
- Maintain proper records of customer interactions in CRM/software.
- Follow up with customers to ensure issue resolution and satisfaction.
- Support the sales/operations team by coordinating customer requirements.
- Escalate complex issues to senior team members when required.
- Collect customer feedback and share insights for service improvement.
- Maintain a positive, empathetic, and professional attitude toward customers always.
- Adhere to company policies, communication standards, and quality guidelines.

You are requested to furnish true and correct information pertaining to your qualifications, experience & other details. You are also required to bring original and submit photocopies of documents as per details mentioned in Annexure A.

A detailed PPO will be issued to you after your successful completion of internship, which shall be initiated upon your joining the company and will state the terms & conditions of your employment with us. This letter of internship is subject to further condition that:

a) Your duration of internship is subject to your approval and signing of our Non-Disclosure Agreement (NDA) at the time of joining.

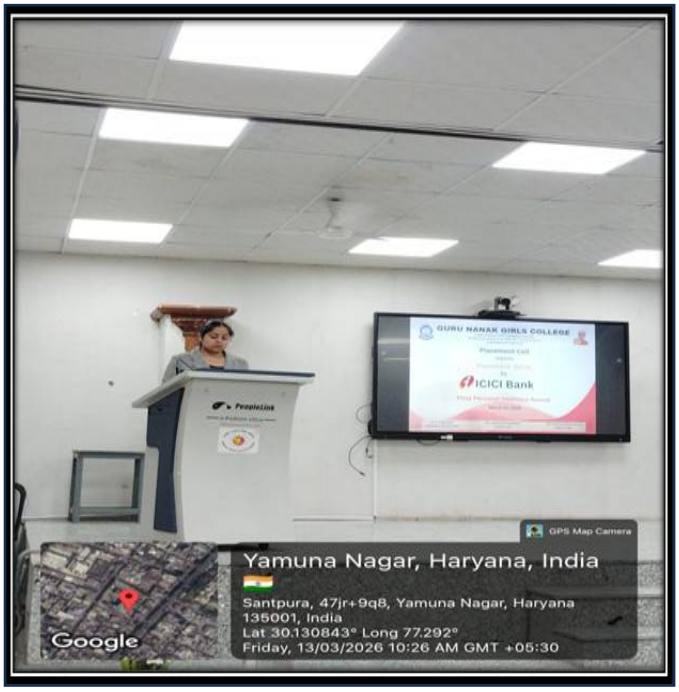
7. Placement Drive – ICICI Bank

The Placement Cell successfully coordinated a comprehensive campus recruitment drive in collaboration with ICICI Bank for the academic session 2025–2026. The process initiated with an engaging Pre-Placement Talk attended by approximately 120 final-year students across multiple streams, fostering a highly interactive session where students actively addressed their career queries. Following the initial screening, the recruitment drive culminated in the final personal interview round on campus. The drive saw an overwhelming response with over 74 students registering—a turnout commended by the visiting HR team as the highest registration count experienced during their campus recruitment visits.

Out of the registered candidates, 21 students advanced to face the final panel interview. The HR team highly appreciated the college infrastructure, institutional hospitality, and the professional readiness of the candidates.

Placement Highlights:

- **Total Students Registered:** 74+
- **Shortlisted for Final PI:** 21 Students
- **Total Students Selected:** 09 Students



9. Placement through Job Fair – Falcon Technologies

A delegation of 56 final-year undergraduate and postgraduate students participated in a mega Job Fair organized at GMN College, Ambala Cantt. The event featured participation from 15 reputed companies, providing students with extensive corporate exposure. All participating students actively attended interviews tailored to their respective streams and technical fields, with several candidates successfully clearing initial screening rounds.

Following the initial fair, a student advanced to the intensive second round of interviews conducted in Mohali. Demonstrating exceptional professional and technical competence, she successfully secured the position of HR Associate at Falcon Technologies

The job fair created opportunities for students in human resource management and recruitment functions.

10. Campus Placement – UPEC (United Precision Engineering Company):

The Placement Cell organized an on-campus recruitment drive in collaboration with the United Precision Engineering Company (UPEC). The campus drive was structured into two comprehensive evaluation rounds, beginning with an engineering and analytical aptitude test, followed by rigorous personal interviews. A total of 25 final-year students across technical streams actively participated in the selection process.

Demonstrating strong academic foundations and technical problem-solving skills, 04 students were successfully placed and awarded pre-placement joining confirmations at a competitive package, with their official tenures commencing immediately post-graduation.

Placement Highlights:

- **Total Students Participated:** 25 Students
- **Total Students Selected:** 04 Students
- **Designation:** Graduate/Management Trainee

The drive gave students direct exposure to the core engineering and technical sectors, expanding corporate career avenues for science and computer application graduates.
