

The Department of Commerce organized a One Day Workshop on the theme “Entrepreneurship Pakhwada” on 21st August 2025 to celebrate World Entrepreneurship Day. The workshop aimed to encourage entrepreneurial spirit and create awareness among students about self-employment and startup opportunities. Faculty members and resource persons highlighted the importance of innovation, leadership, and business skills in today’s competitive world. Students actively participated in interactive sessions, discussions, and activities related to entrepreneurship development. The event inspired young minds to think creatively and become future job creators rather than job seekers.

The Department of Commerce organized an Intra-College Poster Making and Greeting Card Making Competition on 4th September 2024 to celebrate Teacher's Day. Students participated enthusiastically and expressed their gratitude towards teachers through creative posters and greeting cards. The competition provided a platform for students to showcase their artistic talents and innovative ideas. The best entries were appreciated and awarded. The event was a great success and added joy to the Teacher's Day celebrations.

A One Day Workshop on Career Guidance was organized on 25th September 2024 in collaboration with Top rankers. The workshop aimed to create awareness among students about various career opportunities, and higher education options. Resource persons provided valuable insights on career planning, skill development, and strategies for achieving professional goals. Students actively participated in the interactive session and clarified their queries regarding different career paths. The workshop proved to be highly informative and beneficial for the participants.

Department of Commerce organized a "Case Study Session" on 27th September, 2025 on the topic "U.S. H1B Visas" to equip students with critical insights into the challenges and evolving policies of the U.S. H1B visa system, empowering them to make informed global career decisions.
